

REF. LD208

1 drawer compact bedside cabinet

PLEASE USE THESE ASSEMBLY INSTRUCTIONS

Thank you for choosing this furniture.

BEFORE YOU START ASSEMBLY please store the carton at room temperature for 48 hours or more so the contents can acclimatise.

PLEASE RETAIN ALL PACKING UNTIL YOU HAVE COMPLETED ASSEMBLY.

Information about your furniture.

This furniture has been manufactured from surface coated wood based manufactured boards.

Caring for your furniture.

Extreme temperature can cause slight movements in the board material so please avoid placing your furniture close to radiators or other sources of heat.

Please avoid exposing your furniture to continued bright sunlight as this can affect the colour,

any fluid spills should be removed as quickly as possible

Always lift your furniture when moving as dragging may cause damage to your furniture or flooring.

Use mats or coasters to help protect against heat.

Do not stand on your furniture .

Aftercare.

Wipe all surfaces with a dry cloth and the occasional use of a normal household furniture Polish, do not use detergents or chemicals on your furniture.

After assembly remove any visible component identification stickers, these should remove easily however any remaining adhesive residue can be removed with a label adhesive removal liquid available from most DIY or hardware stores.

For models with drawers we also recommend you use a household spray polish or curtain track spray on the drawer runner tracks. Please do not use any wax based products, chemicals or detergents on this furniture.

Regularly check all fixings to ensure they are tight.

BEFORE YOU START ASSEMBLY

Please check that you have all the correct parts and fittings as detailed on the assembly instructions.

We recommend that you build your furniture on top of a soft clean cover to ensure the unit does not get marked or damaged during assembly.
