IMPORTANT - READ CAREFULLY - RETAIN THESE INSTRUCTIONS FOR FUTURE REFERENCE.

INFORMATION

- This product is designed to hold 15 Kg in total, spread evenly over the whole unit.
- · Do not exceed this weight.
- · We recommend that this unit is assembled in the room intended for use.
- When you are ready to start, make sure that you have the right tools, plenty of space and a clean, dry area for assembly.
- Unwrap all packaging materials and place the components on top of the carton box or on a clean floor to prevent them from scratching.
- Check the pack and make sure you have all the parts listed.
- Ensure that this product is fully assembled as illustrated before use.
- · Check all screws or bolts are tightened and inspect regularly
- Tools not included unless specified in parts list.

WARNINGS

- This product should only be used on a firm and level floor.
- Keep small parts out of reach of children.
- Make sure the legs are always in contact with the floor.
- DO NOT use power tools to construct this product.
- DO NOT tighten screws until parts are assembled or as advised in this guide.
- DO NOT over tighten screws or bolts.
- DO NOT use this product if parts are missing, damaged or worn.
- DO NOT sit or stand on the product.
- The desk is free standing and stable but we supply wall connection brackets to stop the
 product tipping over in extreme circumstances. If you have young children in the home it is
 better that the desk is fixed safely to a wall to prevent any potential accidents please refer to
 Step 9.
- N.B. When drilling the wall to fix the anti-tilt bracket, always make sure the area to be drilled is free from hidden electrical wiring or gas / water pipes .
- Carefully assess the suitability of the wall to ensure that the fastening device will withstand the load and forces generated. Walls can be quite different in construction so fixings are not supplied choose the most suitable fixing for your wall type if in doubt consult an expert.

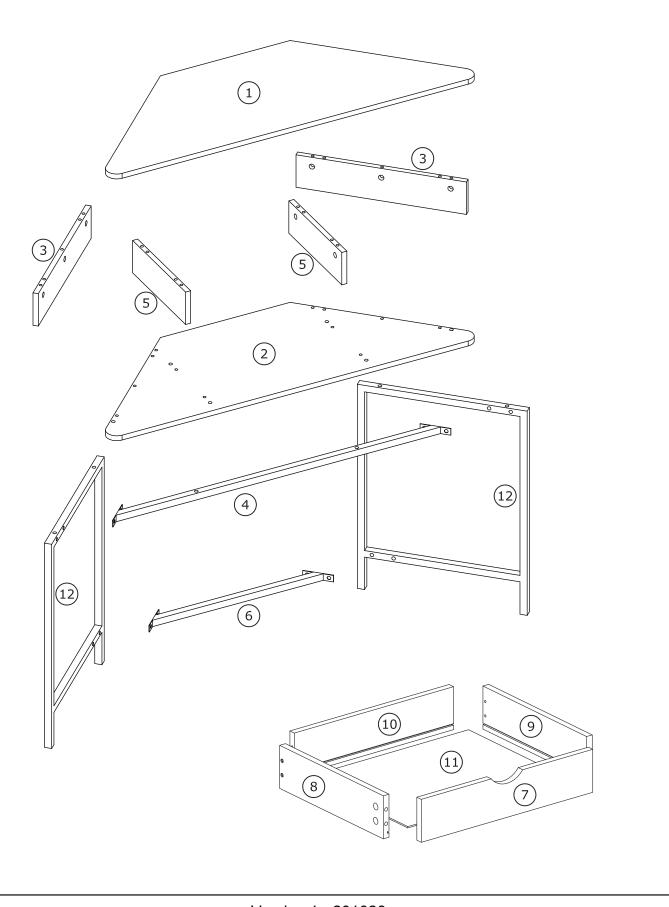

CARE INFORMATION

- To clean, wipe with a damp cloth.
- · Never use scourers, abrasives or chemical cleaners.
- Do not use solvent based cleaners or detergents as they can bleach or damage the product.

Parts and Fittings Checklist

Please check the pack contents before assembling the product. If any components are missing, please contact your retailer.

STEP 9 For this step: WE RECOMMEND FIXING THIS DESK TO THE WALL Tools Screw for Fitting recommended Anti-tilt Bracket 2 L 4x12mm 2 M Anti-tilt Bracket CONSTRUCTION OF WALLS CAN BE VERY DIFFERENT SO FITTINGS ARE NOT SUPPLIED. PLEASE CHOOSE SUITABLE FIXINGS TO SUIT THE YOUR HOME. IF IN DOUBT CONSULT AN EXPERT Warning: Always ensure the area to be drilled is free from hidden electrical wires, water and gas pipes. In the final position the desk is to be fixed, first place it against the wall. Carefully mark the wall with a sharp pencil, dead-centre Carefully mark the (I)of the hole in the long leg of the metal anti-tilt bracket (M). hole position. Drill the hole in the wall. Choose a suitable wall fixing. bracket (M) so the long leg touches the face of the wall. (IV) Use your screw/fixing to fix bracket to wall. Make sure bracket is touching wall evenly, then tighten screw (L).

Assembly Completed

Your Corner Desk is now completely assembled.

Periodically check to ensure that the components are in their proper position, free from damage.

Also, make sure the connectors are tight and secure.

Keep instructions for future reference
